PROPOSED ORDER

By the Commission:

The Illinois Commerce Commission ("Commission") entered a Citation Order initiating the instant citation proceeding against Intetech, L.C. ("Respondent") for allegedly failing to file an Annual Report for 2002. That Order was served on Respondent and it directed Respondent to appear at a hearing in Springfield, Illinois on a specified date to show cause why its certificate of service authority as a telecommunications carrier should not be rescinded. Attached thereto was a Staff Report stating that Respondent failed to file its 2002 Annual Report as required by Section 5-109 of the Public Utilities Act and 83 Ill. Adm. Code 210.

This matter came on for hearing before a duly authorized administrative law judge at the designated time and place. Respondent did not appear at the hearing. Counsel for the Commission Staff appeared and recommended that Respondent's certificate of service authority be revoked. The record was marked "Heard and Taken." A proposed order was served on the parties.

The Commission, having reviewed the record, finds that Respondent's certificate of service authority should be revoked for failure to file its 2002 Annual Report.

IT IS THEREFORE ORDERED by the Commission that the certificate of service authority previously issued to Respondent is hereby cancelled and revoked.

IT IS FURTHER ORDERED that subject to the provisions of Section 10-113 of the Public Utilities Act and 83 Ill. Adm. Code 200.880, this Order is final; it is not subject to the Administrative Review Law.

By proposed order this 4th day of November, 2004.
